I GENERAL RULES:

1. All Junior Fair Rules apply as listed in the Holmes County Fair book, including health requirements and care of animals.
2. All youth age 19 and under, participating in any 4-H equestrian activity, are required to wear properly fitted protective headgear which meets or exceeds current ASTM (American Society for Testing and Materials SEI /Safety Equipment Institute) standards with the chin harness securely fastened at all times while riding or driving an equine. It is the responsibility of the rider, or the parent or guardian of the youth participant, to make sure that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders are not responsible for checking headgear worn for such compliance. The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders make no representation or warranty, expressed or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear, as no helmet can protect against all foreseeable injuries in equestrian activities. The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders may, at his/her discretion, check a participant's protective headgear for proper standards. If the youth is found to be wearing unapproved, defective, or improperly fitted headgear, he/she will not be permitted to participate in riding or driving activities until proper headgear is acquired.

III HORSE SHOWS:

1. Tenderfoot classes will be offered to beginners with a three year limit. Rider may advance from Tenderfoot to more advanced classes during the season, but may not revert back to Tenderfoot. Classes will be judged at a walk/trot only. Any other gait will cause disqualification in the class.
2. The 4-H'er showing for their first year in Tenderfoot may use the same horse as an older sibling, as long as they are in the immediate family and the older sibling is in Junior or Senior classes. Once the member starts the season sharing a horse they may not show any other horse until the next season. When sharing a horse the Tenderfoot member loses their option to move to more advanced classes. It is the parents' responsibility to make sure the younger child is able to control the horse.
3. In all Gymkhana classes, horse and rider may be assisted up to the entrance gate, but the horse and rider must enter the arena alone. The rider must not enter the gate faster than a trot, must stop forward motion by completely stopping, or do a circle prior to starting the pattern.
4. There are no crops, whips, bats or over and under ropes permitted in Gymkhana classes.
5. All classes not designated English or Western are open to either.
6. Member project grades will be on the basis on the project book, Skill-A-Thon, and basic 4-H project knowledge.
7. Outstanding Award: Determined yearly.

 - a. Fair registration forms for all horse projects, which includes a request for fair stalls, must be turned into the Jr. Fair Board Office on the announced dates and times. Failure to turn in forms at the designated times will result in not being able to participate in the fair.

As fair stall space permits:

1. Junior Fair exhibitors will be given stall space for one project.
2. A second project animal (or additional projects) may be permitted to stall at the fairgrounds as determined by the Sr. Fair Board Superintendents. Upon availability, Senior age 4-H members will get first priority for additional stalls.
3. Only registered project animals, without a stall due to space limitations will be allowed to trailer-in for the Holmes County Jr. Fair.
